Issue Date : 03 April 2026

Valid Up to : 02 April 2029

The Certification body has performed a sample assessment of the above product quality system covering the processing, assembly & final inspection of the certified product (s). The quality system has been assessed, approved and is subject to continuous surveillance according to Pressure Equipment Directive 2014/68/EU. No additional test report was carried out from submitted type sample of the product in conformity with the Specification of the respective standards except those submitted by the Customer. The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an CE declaration of Compliance with all relevant CE Directive. The statement is based on a single evaluation of one sample of above mentioned product. It does not simply an assessment of the whole production. This declaration of conformity is issued under the sole responsibility of Manufacturer. Manufacturer declares under its sole responsibility that the product identified is in conformity with all relevant Union legislation
